3 E19

CPU NODIC52832
Display TFT 1.3" Color screen
resolution ratio 240*240dpi
Acceleration BLE4.0
Heart rate PD70
Battery (200mAh)
Motor 0408
Font Full character display
Charge Charger
Water-proof level IP67 waterproof
Standby time 7-15 days
Product size Length x width x height 240x41.5x13.3MM
Wearing a wrist circumference 16.5~21.6CM
Wrist strap material Environmental protection level of TPU
System Parameter
OS requirement "Android 4.3 and above,
IOS 8.0 and above, with BT 4.0"
Data Sync Data synchronization to mobil APP
Data storage Storage 7 days' sports data
APP compatible language "App language: English, French, German, Italian, Japanese, Korean, Portuguese,
Russian, simplified Chinese, Spanish, etc."
Compatibility Support phones android based and IOS based
Operation mode Full Touch
Function parameter
Special Function the device will match the time display format of the phone when synced.
Date and week display
Power display
3 modes are available on the main interface
